

ClassCharts is the school's homework, rewards and seating plan system.

How to Log into ClassCharts:

Staff

<https://www.classcharts.com/activedirectory/login/stlaurence4537>

- Staff use a custom link to log into ClassCharts and use their usual network username (not email address) and password.
- The login box should look like this:

On a mobile device (iPad, iPhone, Android etc), you can install the ClassCharts Teacher App and log in with Office365. You do NOT enter your email address and password, just select the Office365 button.

Log in

Teacher Parent Student

Enter your email address

Enter your password [Forgot password?](#)

Remember me

Log in with:

Student

<https://www.classcharts.com/student/login>

- Students log in with a code that they will receive on day 1 of the year, or at first login with IT if arriving as a new student mid-term.
- IT will put a text file called 'ClassCharts_Login', containing the code, in their network user documents.
- Students will also be given a sticker with the 8-digit code printed on it that they can stick into their planner.

Parent

<https://www.classcharts.com/parent/login>

- Parents receive 8-digit codes for each of their children who attend St Laurence via a letter, or electronically by Parent Mail.
- To create an account parent's needs to enter an email address, one of their child's codes and a password. Once this is done parents subsequently log in using just the email address and password.

The screenshot shows the 'Parent' login tab selected. The form includes a navigation bar with 'Teacher', 'Parent', and 'Student' tabs. Below the navigation bar, there is a section for 'Enter your email' with a text input field containing 'parentsemail@gmail.com'. There are two radio button options: 'I already have an account' (unselected) and 'I don't have an account yet' (selected). Below these options are three text input fields: the first contains 'DSHRN324D', the second contains 'Mark Parentman', and the third is empty. At the bottom, there is a 'Remember me' checkbox (checked) and an orange 'Log In' button.

Below the navigation bar, there is a section for 'Enter your email' with a text input field containing 'parentsemail@gmail.com'. There are two radio button options: 'I already have an account' (selected) and 'I don't have an account yet' (unselected). Below these options, there is a section for 'Enter your password' with a text input field containing '.....'. To the right of the password field is a link for 'Forgot password?'. At the bottom, there is a 'Remember me' checkbox (checked) and an orange 'Log In' button.

- If parents have more than one child at school they receive multiple letters (one for each child), they then setup their account as above, and once logged in 'add additional code' to add the other child to the same account.
